Outside of these dates, other practical exams and coursework/controlled assessment dates will be held at various times throughout the year. Dates for these exams will vary between subjects and classes; subject teachers will notify students individually of these dates.

Every effort is made to publish individual timetables for written examinations to students as early as possible once entries have been finalised. The Exams Office is unable to tell in advance of this when individual student examinations are taking place - we can only advise, as a guide, the above dates.
